### **1. INTRODUCTION**

- (i) The present legislation in Mauritius imposes at section 24(5) of the Medical Council Act an **"entry examination"** for Pre-registration Trainees before their enlistment for clinical training in hospitals of the Ministry of Health & QL. Section 24 of the Act is reproduced below, namely;

#### **24. Pre-registration trainees**

- (1) The Council may require a person applying for registration as a general practitioner under section 21 to undergo such training as it may determine before registering him.
- (2) The person applying for registration as a general practitioner who is required to undergo the training referred to in subsection (1) shall be registered as a pre-registration trainee.
- (3) Where a person who holds a diploma in medicine is required by the country, or the medical institution where he qualified, to complete a course of training, without which training he would not be eligible for registration as medical practitioner in that country, he may be registered as a pre-registration trainee until he has completed such course of training in an institution approved by the Council.
- (4) Every student in medicine who is undergoing pre-qualification training in Mauritius shall so inform the Council in writing, giving such particulars as the Council may require.
- (5) Entry examinations for pre- registration trainees shall be conducted by an independent body of international repute under the aegis of the Council before such trainees are enlisted by the Ministry.**

**(Commencement 07 September 2016)**

- ii) The Council has decided that this examination be called as Pre- Registration Entry Examination (PREE);
- iii) The Medical Council of Mauritius (MCM) is the authority mandated to conduct the Pre- Registration Entry Examination.
- iv) The PREE would be held twice yearly.
- v) The examination will be conducted in English language.
- vi) The examination will consist of one paper of 2½ hours duration.
- vii) There will be Multiple Choice Questions (MCQ) of single response type in the paper. Total number of questions will be 150.
- viii) The questions shall be of Final MBBS exit level. 75 questions will be from clinical specialities and the remaining 75 questions will be from applied basic sciences (pre & para clinical specialities).
- ix) There will be NO negative marking.
- x) An applicant shall be declared as having passed the examination only if he/she has obtained a minimum of 75 marks out of a total of 150 in the examination.
- xi) Results for eligible candidates who have **passed** will be displayed at the office of MCM. All other candidates would be required to collect their results from the Registrar's office personally.
- xii) The names of those applicants who pass the PREE will be communicated to the Ministry of Health & QL for their enrolment as Pre- registration Trainees in Regional Hospitals of the Ministry.
- xiii) There will be no restrictions on number of attempts that can be availed by an applicant.
