

*Government Notice No. 272 of 2013*

**THE MEDICAL COUNCIL ACT**

**Regulations made by the Minister, after consultation with  
the Medical Council, under sections 23A and 42 of  
the Medical Council Act**

1. These regulations may be cited as the Medical Council (Postgraduate Medical Education Board) Regulations 2013.

2. In these regulations –

“Act” means the Medical Council Act;

“Board” means the Postgraduate Medical Education Board set up under section 23A of the Act.

3. The Board shall –

(a) assist the Council in the determination of applications for registration as specialist;

(b) assess the knowledge, skills and experience of a general practitioner who applies for registration as a specialist;

(c) make recommendations to the Council by preparing and submitting an assessment report to the Council.

4. (1) (a) Subject to subparagraph (b), the Board shall consist of 3 members, to be appointed by the Minister after consultation with the Council.

(b) The members appointed under subparagraph (a) shall be specialists, with at least 10 years' experience and shall not be members of the Council.

(2) The Minister shall nominate a Chairperson from among the 3 members of the Board.

(3) The members of the Board shall hold office for a period of 3 years.

(4) (a) The Board may, for the purposes of performing its duties, co-opt up to 3 other specialists.

(b) A specialist co-opted under subparagraph (a) may be a person who is registered as a specialist in a country other than Mauritius.

(5) The Registrar shall act as the Secretary to the Board.

(6) Every member of the Board, co-opted member and the Secretary to the Board shall be paid such fee or allowance as the Council may determine.

5. The Board shall meet as and when required and at such time and place as it may determine.

6. The Board shall submit to the Council an assessment report which shall include whether a person who has applied for registration as specialist –

(a) is eligible to be registered as a specialist;

(b) is required to undergo further clinical or practical training under the supervision of one or more specialists of not less than 5 years' experience and the duration of such training; or

(c) needs to be reassessed and when such reassessment shall be conducted.

7. The Council shall inform a person who has applied for registration as specialist of any decision reached by it.

8. The Council may, for the purposes of an assessment, charge such fee as it may determine.
9. These regulations shall be deemed to have come into operation on 1 October 2013.

Made by the Minister, after consultation with the Medical Council, on 19 November 2013.

---

8. An approved institution, medical association or person may, in respect of an approved CPD course or training programme conducted by it or him, charge such fees as it or he may determine.

9. (1) For the purpose of section 30A(2) of the Act, the Medical Council may excuse a general practitioner or specialist from attending CPD courses or training programmes, as required under these regulations –

- (a) for such period as the Medical Council considers appropriate, where that general practitioner or specialist –
  - (i) has been on sick leave for a period of more than 6 months, supported by documentary evidence;
  - (ii) is a non-citizen granted temporary registration as general practitioner or specialist under section 26 of the Act and who has worked for a period of less than 12 months in Mauritius;

application to the Medical Council for credit points in such form as may be approved.

6. (1) The Medical Council shall –

- (a) keep a list of approved institutions, medical associations or persons;
- (b) keep a list of approved CPD courses or training programmes in respect of each approved institution, medical association or person;
- (c) keep a yearly record of credit points earned by every general practitioner and specialist;
- (d) monitor all approved CPD courses or training programmes which are held;
- (e) regularly review the approval given to institutions, medical associations or persons conducting approved CPD courses or training programmes;
- (f) pursuant to section 30A(3) of the Act, give public notice of the lists referred to in paragraphs (a) and (b) and any subsequent amendments to those lists.

(2) For the purpose of paragraph (1)(a), the Medical Council shall ensure that the services of eminent general practitioners, specialists, health professionals and academics having wide experience and knowledge in the field of medicine are enlisted for conducting CPD courses or training programmes.

7. Every approved institution, medical association or person shall –

- (a) advertise the approved CPD courses or training programmes which it or he intends to conduct, specifying the number of credit points to be earned in respect of each course or training programme;

4. No institution, medical association or person shall conduct a CPD course or training programme for general practitioners and specialists unless –

- (a) it or he is on the list of approved institutions, medical associations or persons; and
- (b) such CPD course or training programme is on the list of approved CPD courses or training programmes.

5. (1) Where an institution, medical association or person intends to conduct CPD courses or training programmes for general practitioners and specialists, it or he shall –

- (a) submit an application to the Medical Council for approval in such form as may be approved;
- (b) submit a list of proposed CPD courses or training programmes, accompanied by the detailed course contents and the allocation of credit points as specified in Part I of the Schedule, for approval.

(2) On receipt of an application for approval under paragraph (a), the Medical Council may request such additional information as it may require.

(3) The Medical Council may grant or reject an application received under paragraph (a).

(4) Where an institution, medical association or person has obtained approval to conduct a CPD course or training programme under paragraph (a) and the content of such CPD course or training programme is subsequently revised, that institution, medical association or person shall submit a fresh application, accompanied by a detailed course content, to the Medical Council for approval of the revised CPD course or training programme.

(5) Every general practitioner or specialist may, in respect of any of the categories specified in Part II of the Schedule, submit an
